PRESS RELEASE

June 23, 2010

We will begin clearing off graves within Kerr Cemetery the week of June 28th. All regulations for the cemetery will be strictly enforced. We will remove anything that does not comply with the current regulations. The regulations for the cemetery are posted on the cemetery chapel and the township website (www.weathersfieldtp.com) for all to review. Anything placed on the graves after June 28th that does not comply with the regulations will be removed. This is being done to ensure safety and beautification within the cemetery.
